**EXPERIENCE**

**Seasonal Design Associate**

RipeConcepts, Inc. – Oct 2024 – Dec 2024

- Reviewed customer-designed templates for Minted, focusing on design quality control and proofreading, including typography, colors, layout, and visual elements.
- Ensured that customer designs adhered to Minted’s quality standards before finalization, providing clear feedback and resolving any identified errors.
- Collaborated with customers to maintain design consistency and meet their expectations for high-quality, customized holiday and wedding cards.

**Software Developer Intern**

MYT SoftDev Solutions Inc. | Jan 2024 - May 2024

- Developed full-stack applications using React.js and CodeIgniter with API integration, following MVC architecture.
- Collaborated on UI/UX design using Figma, improving user engagement and interface responsiveness.
- Managed agile workflows via Trello, reducing delivery time and enhancing team coordination.

**IT Support**

Department of Labor and Employment | 2020

- Provided hardware and software troubleshooting for staff.
  - Resolved technical issues on-site, minimizing system downtime.
- 

**EDUCATION**

Bachelor of Science in Information Technology

University of Cebu — 2020 – 2024

- Relevant Coursework: Web Development, Database Systems, Networking
- Capstone Project: BulakBuy E-Commerce Web App (Flower Shop)
